

Haive

Your world is buzzing around you
Let's explore

**See what's happening here
— right now —**

Open Haive and ask AI exactly what you're looking for and within what radius around your location — in real time.

ASK HAIVE AI WHAT'S BUZZING AROUND YOU

Tell it what you're in the mood for and how far you're willing to walk.

Try asking: *"What's the buzz around here within 300 m?"*

AND YOU'LL GET...

Last-minute deals

Extended happy hour, "2x1 today only", discounted coffee.

Live events

Live music, trivia nights, tastings and plans near you.

Buzz from other places

What cafés, bars, gyms and shops within walking distance are doing right now.

GO OUT NOW AND LIVE LIFE.

Scan and download Haive

A hyperlocal, AI-native app that shows you what's happening within walking distance.
